### **Clayton County Residents to Give Input on Proposed Detour for I-75 Collector-Distributor Project**

**ATLANTA** – The Georgia Department of Transportation will hold a detour open house this week. Georgia DOT invites residents to learn about suggested detours for the proposed I-75 northbound collector-distributor system project.

The informal open house will take place from **5 p.m., until 7 p.m., on Thursday, June 25 at Forest Park City Hall, 745 Forest Parkway Forest Park, Georgia 30297.**

“The suggested detours will reroute motorists who travel on Frontage Road and Forest Parkway to access I-75 northbound and I-285,” said Sam Samu, Georgia DOT project manager. “We encourage residents to attend the open house to view the detours, leave comments, and ask questions.”

The overall project proposes to construct collector-distributor lanes adjacent to I-75 northbound from SR 331/ Forest Parkway to I-285. Construction upgrades consists of reconfiguring the SR 331/ Forest Parkway at I-75 northbound interchange ramps; the I-285 at I-75 northbound interchange ramps; and reconfiguring Frontage Road along the east side of I-75.
